INTERIM FINANCIAL STATEMENTS AND
INDEPENDENT AUDITOR'S REPORT ON REVIEW OF
INTERIM FINANCIAL INFORMATION
FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2021

Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders and the Board of Directors of Getabec Public Company Limited

I have reviewed the accompanying consolidated and separate statements of financial position of Getabec Public Company Limited and its subsidiaries, and of Getabec Public Company Limited, respectively as at March 31, 2021, and the related consolidated and separate statements of comprehensive income, consolidated and separate statements of changes in shareholders' equity and consolidated and separate statements of cash flows for three-month period ended March 31, 2021, and the condensed notes to interim financial statements ("Interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34, "Interim Financial Reporting".

Emphasis of Matter

According to Note 26.3 to the Financial Statements, as at March 31, 2021, the Company has contingent liability on the fine from the delay amount of Baht 50.47 million, since the Company is unable to deliver the products to the counterparties as the schedule in the agreements. At present, these are under negotiation. The Management of the Company believes that there will be no significant losses.

My conclusion is not modified in respect of this matter.

GETABEC PUBLIC COMPANY LIMITED AND ITS SUBSIDIARIES

NOTE TO INTERIM FINANCIAL STATEMENTS

FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2021 (UNAUDITED) (REVIEWED)

1. GENERAL INFORMATION

Getabec Public Company Limited ("The Company") was incorporated as a limited company under Thai law on July 13, 1983. On September 18, 2015, the entity changed its name to Getabec Public Company Limited and registered as a public company limited with the Ministry of Commerce. Its office is located at 335/7, Srinakharin Road, Nongborn, Pravej, Bangkok. The Company has nine branches throughout Thailand.

The Company is principally engaged in the manufacture and distribution of steam boilers and hot water boilers including boiler installation and repair.

Mongkhonaripong Group is a major shareholder, holding 75% of the paid up share capital of the Company.

2. BASIS FOR PRESENTATION OF THE INTERIM FINANCIAL STATEMENTS

The interim financial statements have been prepared in accordance with Thai Accounting Standard No. 34, Interim Financial Reporting.

The interim financial statements consist of primary financial information (i.e. statement of financial position, statement of profit or loss and other comprehensive income, statement of changes in shareholders' equity, and statement of cash flows). The Company has chosen to present the interim financial statements in a format consistent with the annual financial statements, in compliance with Thai Accounting Standard No. 1, Presentation of Financial Statements. The notes to the interim financial statements are prepared in a condensed format. Additional notes are presented as required by the Securities and Exchange Commission under the Securities and Exchange Act.

The interim financial statements have been prepared in the Thai language and expressed in Thai Baht. Such interim financial statements have been prepared for domestic reporting purposes. For convenience only, for the readers not conversant with the Thai language, an English version of the interim financial statements has been provided by translating from the Thai version of the interim financial statements.

The interim financial statements have been prepared to provide information in addition to that included in the financial statements for the year ended December 31, 2020. They focus on new activities, events and circumstances to avoid repetition of information previously reported. Accordingly, these interim financial statements should be read in conjunction with the financial statements for the year ended December 31, 2020.

The preparation of the interim financial statements in conformity with Thai Financial Reporting Standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying amounts of assets and liabilities that are not readily apparent from other sources. Subsequent actual results may differ from these estimates.

Director	Director	10
(Mr.Suchat Mongkhonaripong)	(Mr.Chalard Na ranong)	

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised, if the revision affects only that period, and in the period of the revision and future periods, if the revision affects both current and future periods.

Coronavirus Pandemic 2019 (COVID-19)

The COVID-19 pandemic has caused an economic slowdown adversely affecting most businesses and industries. This situation may bring uncertainties and affect the environment in which the Group operates. These uncertainties may have a financial impact on the valuation of assets, provisions and contingent liabilities.

Basis for preparation of the consolidated interim financial statements

The consolidated interim financial statements, related to the Company and its subsidiaries (together referred to as the "Group") are prepared using the same basis as were used for the consolidated financial statements for the year ended December 31, 2020.

There is no change in the structure of the Group during the current period.

New financial reporting standards

a) Financial reporting standards that became effective in the current period

During the period, the Group has adopted the revised financial reporting standards and interpretations which are effective for fiscal years beginning on or after January 1, 2021. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards with most of the changes directed towards clarifying accounting treatment and providing accounting guidance for users of the standards.

The adoption of these financial reporting standards does not have any significant impact on the Group's financial statements.

b) Financial reporting standards that will become effective for fiscal years beginning on or after January 1, 2022 The Federation of Accounting Professions issued amendments to Thai Financial Reporting Standard 16 Leases that provide temporary exemptions from the impact of interest rate benchmark reform for a lessee, provided that all specified conditions are to be met.

The adoption of these temporary exemptions does not have any significant impact on the Group's financial statements.
